Contributed by Dave Palumbo
Monday, 21 April 2008

Kai Greene stops by to discuss his new multi-year contract with Team MD and his game plan for the upcoming New York Pro show in 3 weeks.

Former owner of Better Bodies Gym in New York City, Brian Moss joins The Muscle Mob. Find out what it was like to date the beautiful Gladys Portuguese. Also, you won't want to hear the story of how Jean Claude Van Dam moved in and stole Gladys away from Bad Boy Brian.

Finally, former owner of Champion Nutrition and co-author of the original Steroid Handbook, Michael Zumpano drops by the show to tell us what went on at Sunday School at Gold's Gym Venice back in the day!

Remember, "You never know who'll stop by with The Muscle Mob!"
