Musculardevelopment.com has just gotten word that "The Predator", Kai Greene, has chosen to skip the 2008 Mr. Olympia contest. Despite being a dream of his since he was a young boy, Kai feels the time just isn't right

Musculardevelopment.com has just gotten word that "The Predator", Kai Greene, has chosen to skip the 2008 Mr. Olympia contest. Despite being a dream of his since he was a young boy, Kai feels the time just isn't right. After placing 3rd at the Arnold Classic and winning the New York Pro Show earlier this year, he wants to give his body a much needed rest so that he can properly prepare for his assault on the 2009 season. Stay tuned for Kai Greene updates, only on musculardevelopment.com!
