If you're as anxious as we are for the 2009 New York Pro, then you'll have that tingling sensation down your leg as well after looking at this year's line-up. There's going to be some HUGE BEEF up on stage with the return of Markus Ruhl standing next to Evgeny Mishkin and Even Centopani.

This is one show you DON'T want to miss!

Quote from Shawn Ray:

* I spoke with Marcus Haley at the Orlando Pro, he said he is waiting for the Tamp Pro and will not be onstage in New York.

* Richard Jones is supposed to compete as well in this show and Pittsburgh Pro 202lbs next week but word on the street is that he is NOT an IFBB Registered Athlete and is in the process of getting that sorted out now!

* I noticed several 202lbs & Under guys on this list.

Arntz, English & Henry

It is my understanding the the 202lbs & Under Guys have to choose one or the other class, No Crossovers.

* Also slated to compete: Fakhri Mubarak in the 202lbs Class.

Tarek Elsatoui big dude!
